Somewhere behind the barrel racer you've become, the hours of practice you've put in, the miles you've hauled, the sweat, the tears, the blood, the blisters, the ripped jeans, the lame horse, the crazy horse and everything in between is the girl who fell in love with the sport, the horse, the life and never looked back.

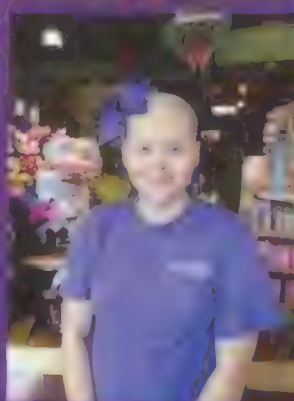

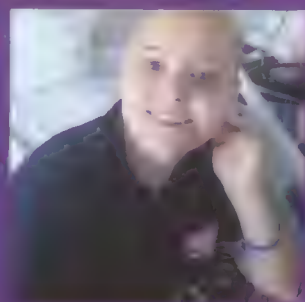

You have been through so much and come so far. You will soon walk across the stage and accept the end of this phase in your life and it will be labeled "High School Diploma". Now it's time to follow the path God has set before you and embrace it with all of your heart. Not even cancer could stand between you and your dreams! You got this kid, so get out there, take lots of pictures and rodeo like there's no tomorrow! Always remember you only have to live your life 3 barrels at a time. The Thomas & Mack Center is calling your name so don't stop until you see the lights of Vegas!

Mom, Jason, Ashtyn, Nonnie,

Our Sweet Baby Girl "Sugar Bug",
You came to us and learned to breathe
Loved all animals, you tried to be
You loved to sing and dance
And remember when I was three
You've grown so fast and beautiful as can be
Tried many things so that you could see
Who and what is Stephanie
You always had your life pre-planned
But still had the desire to play in a band
We're so proud of who you are
All our love will take you far
So when you venture out and start a new life
Please know it's like thin ice
And always remember why
You're so frikin nice!
All our love,
Mom & Dad

We are so proud of the young man
you have become and look forward
to your future accomplishments.
